

SPEAKER REQUEST GUIDELINES

Take advantage of World Vision's extensive Speakers Bureau for your next fundraising event! One of our dynamic speakers will connect your audience with stories of hope and transformation, giving them a firsthand glimpse into our life-changing work around the world.

LIST OF WORLD VISION SPEAKERS

Visit worldvision.org/speakers for a current list of those available to speak at events on behalf of World Vision. Along with our core group, we have a list of on-demand speakers who offer great subject matter expertise.

HOW TO REQUEST A SPEAKER

Please submit your request using the form at worldvision.org/speakers. We appreciate a minimum of 30 days' advance notice for all speaking requests. All World Vision speakers are in full-time work or ministry in addition to speaking for World Vision. If your preferred choice is unavailable, we will do our best to find a related alternate speaker.

HONORARIUMS AND TRAVEL EXPENSES

World Vision speakers do not charge fees or accept personal honorariums, but they can accept the cost of their travel and lodging if offered. Customarily, the event organizer makes the speaker's hotel reservation and the World Vision travel department books their flights.

EVALUATIONS

After your event, we'd love for you to fill out an evaluation. You will be asked to rate your satisfaction with how quickly your request was handled, the speaker's suitability for your event, and your overall experience with the Speakers Bureau. These evaluations are essential to the success of the Speakers Bureau, so we appreciate your participation.

If you have any questions, your World Vision representative would be happy to help!

World Vision is a Christian humanitarian organization dedicated to working with children, families, and their communities worldwide to reach their full potential by tackling the causes of poverty and injustice.
